WHOLESALE PRICE LIST

NOTE—This price list is arranged in the same order as the descriptive booklet.

Prices: These prices are for stock delivered to the postoffice, express or freight depot in Hayward or Oakland. Packing charges at cost.

Terms: Unless credit is established, all stock is sold for Cash with order. C.O.D. shipments will not be made unless order is accompanied by one-half the amount of order.

Guarantee: We exercise every care to have our stock true to name and of good quality, but should any stock prove untrue to name or quality we will be liable only for the amount paid for the stock and no more.

TREE PEONY PRICES

These prices are for bare root or potted plants. Usually those delivered in the fall are bare root. Two and three-year old plants.

DWARFED TREES

The prices on these plants vary a great deal depending upon the age, shape and size of the specimens. From \$1.50 each to \$150.00 each. State size and price you wish to pay when ordering and we will let you know what we have available, or, better still, let us pick out the best plant for your value.

TOICHI DOMOTO, SORENSEN ROAD, HAYWARD, CALIFORNIA

CAMELLIA LISTS

These plants, in most cases, are balled and burlapped. The height dimensions do not govern our prices on older specimens, which in most cases are shorter and fuller than the stock offered in our list.

Some of the prices do not allow a large mark-up; due to scarcity of those varieties, or special retail prices.
